

**Information Systems**

**The Herta and Paul Amir  
Faculty of Social Sciences**

**The department of Information Systems** in the University of Haifa invites applications for tenure-track positions as faculty members.

Candidates must have a PhD in Information Systems or in related areas (e.g., Computer Science), have an excellent record of publications in top journals and conferences, and excellence in teaching.

To apply, please enclose your CV, research statement, and teaching statement. The research statement and the teaching statement should emphasize the relevance of the applicant's research and teaching interests to the Information Systems department.

Application should be sent to:

Prof. Pnina Soffer

Information Systems Department

University of Haifa
