A Tenure-Track Position in Geographical Information Systems (GIS)

The Department of Geography and Environmental Studies at University of Haifa invites applications for a tenure-track position.

We seek an outstanding scholar with a specialty in Geographical Information Systems (GIS). Additional expertise in Remote Sensing is a plus. A PhD in Geography (or equivalent) is required.

The position entails high quality research and involves teaching introductory courses in these areas on the undergraduate level and more specialized topics on the graduate level. The teaching language is Hebrew.

Applications: Applicants should submit an email letter with a statement of research and teaching interests, current CV, names and email addresses of three professional references. Applications should be sent to Prof. Shlomit Paz (Department Chair): shlomit@geo.haifa.ac.il.

Reviews of submitted applications will commence December 1, 2016 and continue until the position is filled.

Information about the University of Haifa can be found at: <http://www.haifa.ac.il/>; and specific information about the Department of Geography and Environmental Studies at: <http://geodep.haifa.ac.il/>

Final appointment is at the discretion of the Dean and Rector of the University of Haifa.
